

# Table of Contents

|   |    |   |    |
|---|----|---|----|
| Addition with zero, number order, number value .....  | 5  | Addition and subtraction to ten, fractions, even and odd numbers .....  | 39 |
| Addition with one, number order, number value .....   | 6  | Addition and subtraction to ten, fractions, money (five, ten, twenty and fifty-cent coins) .....                                | 40 |
| Addition to two, money (dollars), number order .....  | 7  | Addition and subtraction to ten, fractions, $<$ and $>$ .....   | 41 |
| Addition to three, money (dollars), number order .....  | 8  | Addition to eleven, fractions, time (hour and half hour) .....  | 42 |
| Addition to four, money (dollars), number order .....   | 9  | Addition to twelve, numbers from 1–100 .....  | 43 |
| Addition to five, money (one and two-dollar coins), number value .....                                | 10 | Addition to thirteen, place value, fractions .....  | 44 |
| Subtraction with zero, numbers from 1–20, money (one and two-dollar coins) .....                      | 11 | Addition to fourteen, place value, count by 5s .....  | 45 |
| Subtraction with one, shapes, numbers from 1–20 .....   | 12 | Addition to fifteen, place value, fractions .....   | 46 |
| Subtraction to two, shapes, money (one and two-dollar coins) .....                                    | 13 | Subtraction to eleven, graphing geometric solids .....  | 47 |
| Subtraction to three, number order, shapes .....  | 14 | Subtraction to twelve, place value, even and odd numbers .....  | 48 |
| Subtraction to four, graphing, shapes .....   | 15 | Subtraction to thirteen, tally marks, place value .....   | 49 |
| Subtraction to five, numbers from 1–30, money (five and ten-cent coins) .....                         | 16 | Subtraction to fourteen, tally marks, place value .....   | 50 |
| Addition and subtraction with zero, $<$ and $>$ , number order .....                                  | 17 | Subtraction to fifteen, tally marks, money (five, ten, twenty and fifty-cent coins) .....                                       | 51 |
| Addition and subtraction with one, $<$ and $>$ , numbers from 1–30 .....                              | 18 | Addition and subtraction to eleven, collecting data .....   | 52 |
| Addition and subtraction to two, $<$ and $>$ , money (five and ten-cent coins) .....                  | 19 | Addition and subtraction to twelve, ordinal numbers, tally marks .....  | 53 |
| Addition and subtraction to three, graphing, shapes .....   | 20 | Addition and subtraction to thirteen, ordinal numbers, $<$ and $>$ .....  | 54 |
| Addition and subtraction to four, numbers from 1–40, $<$ and $>$ .....                                | 21 | Addition and subtraction to fourteen, ordinal numbers, time (hour and half hour) .....  | 55 |
| Addition and subtraction to five, money (five, ten and twenty-cent coins), number order .....         | 22 | Addition and subtraction to fifteen, ordinal numbers, even and odd numbers .....  | 56 |
| Addition to six, time (hour), numbers from 1–40 .....   | 23 | Addition to sixteen, ordinal numbers, fractions .....   | 57 |
| Addition to seven, time (hour), $<$ and $>$ .....   | 24 | Addition to seventeen, even and odd numbers, collecting data .....  | 58 |
| Addition to eight, count by 5s, time (hour) .....   | 25 | Addition to eighteen, money (fifty-cent coins), place value .....   | 59 |
| Addition to nine, numbers from 21–50, time (hour) .....   | 26 | Subtraction to sixteen, money (ten, twenty and fifty-cent coins), ordinal numbers .....   | 60 |
| Addition to nine, count by 5s, money (five, ten and twenty-cent coins) .....                          | 27 | Subtraction to seventeen, money (twenty and fifty-cent coins), number order .....   | 61 |
| Addition to ten, count by 2s and 5s, $<$ and $>$ .....  | 28 | Subtraction to eighteen, money (five, ten and fifty-cent coins), tallying .....   | 62 |
| Subtraction to six, numbers from 1–60, shapes .....   | 29 | Addition and subtraction to sixteen; money (fifty-cent, one-dollar and two-dollar coins); $<$ , $>$ , and $=$ .....             | 63 |
| Subtraction to seven, time (half hour), county by 2s and 5s .....                                     | 30 | Addition and subtraction to seventeen, money (five, ten and twenty-cent coins), time .....                                      | 64 |
| Subtraction to eight, time (half hour), money (ten, twenty and fifty-cent coins) .....                | 31 | Addition and subtraction to eighteen, money (five-cent, ten-cent, twenty-cent and one-dollar coins), even and odd numbers ..... | 65 |
| Subtraction to nine, time (half hour), $<$ and $>$ .....  | 32 | Addition with ten, money (ten-cent, twenty-cent, one-dollar and two-dollar coins), fractions .....                              | 66 |
| Subtraction to ten, numbers from 31–70, time (half hour) .....  | 33 | Addition with tens, fractions, money .....  | 67 |
| Addition and subtraction to six, graphing .....   | 34 | Addition with tens, fractions, place value .....  | 68 |
| Addition and subtraction to seven, even numbers, money (five, ten, twenty and fifty-cent coins) ..... | 35 | Subtraction with tens, fractions, money .....   | 69 |
| Addition and subtraction to eight, odd numbers, $<$ and $>$ .....                                     | 36 | Subtraction with tens, ordinal numbers, fractions .....   | 70 |
| Addition and subtraction to nine, even and odd numbers, time (hour and half hour) .....               | 37 |   |    |
| Addition and subtraction to ten, even and odd numbers, count by 2s .....                              | 38 |   |    |

|  |    |   |     |
|--|----|---|-----|
| Subtraction with tens, fractions, number order .....                           | 71 | Two-digit addition and subtraction, three addends, measurement .....                        | 89  |
| Addition and subtraction with tens, fractions, tallying .....                  | 72 | Two-digit addition and subtraction, measurement, money .....                                | 90  |
| Addition and subtraction with tens, numbers from 91–150, fractions .....       | 73 | Two-digit addition and subtraction, measurement, ordinal numbers .....                      | 91  |
| Addition and subtraction with tens, numbers from 151 to 210, fractions .....   | 74 | Two-digit addition and subtraction, measurement, number order .....                         | 92  |
| Addition and subtraction to eighteen; three addends; $<$ , $>$ , and $=$ ..... | 75 | Addition and subtraction to eighteen, measurement, comparing number sentences .....         | 93  |
| Addition and subtraction to eighteen, three addends, time (half hour) .....    | 76 | Addition and subtraction to eighteen, comparing number sentences, time (quarter hour) ..... | 94  |
| Addition and subtraction to eighteen, three addends, fractions .....           | 77 | Addition with hundreds, fractions, comparing number sentences .....                         | 95  |
| Two-digit addition, time (quarter hour), three addends .....                   | 78 | Subtraction with hundreds, comparing number sentences, place value to hundreds .....        | 96  |
| Two-digit addition, time (quarter hour), money .....                           | 79 | Addition and subtraction with hundreds, counting by tens, comparing number sentences .....  | 97  |
| Two-digit addition, time (quarter hour), place value .....                     | 80 | Three-digit addition, counting by tens, measurement .....                                   | 98  |
| Two-digit addition, collecting data, and tallying .....                        | 88 | Three-digit subtraction, three addends, measurement .....                                   | 99  |
| Two-digit addition, time (quarter hour), ordinal numbers .....                 | 82 | Three-digit addition and subtraction, measurement, money .....                              | 100 |
| Two-digit subtraction, place value to hundreds, time .....                     | 83 | Three-digit addition and subtraction, measurement, ordinal numbers .....                    | 101 |
| Two-digit subtraction, place value to hundreds, number order .....             | 84 | Addition and subtraction, graphing and money .....  | 102 |
| Two-digit subtraction; place value to hundreds; $<$ , $>$ , and $=$ .....      | 85 | Addition and subtraction, time, fractions .....   | 103 |
| Two-digit subtraction, place value to hundreds, time .....                     | 86 |   |     |
| Two-digit subtraction, place value to hundreds, fractions .....                | 87 |   |     |
| Two-digit addition and subtraction, measurement, place value to hundreds ..... | 88 |   |     |

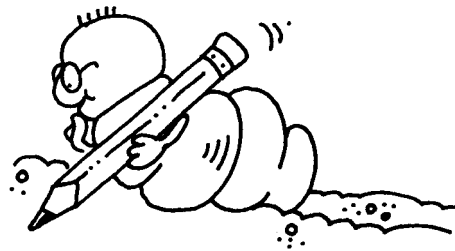

Name \_\_\_\_\_

▲ Add.

$0 + 1 = \underline{\quad}$      $0 + 3 = \underline{\quad}$      $3 + 0 = \underline{\quad}$      $5 + 0 = \underline{\quad}$

$0 + 0 = \underline{\quad}$      $1 + 0 = \underline{\quad}$      $4 + 0 = \underline{\quad}$      $0 + 4 = \underline{\quad}$

▲ Fill in the missing number.

4 5 6     

7      9 10

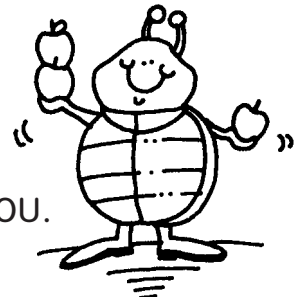

1      3 4

     7 8 9

1 2 3     

6 7      9

▲ Circle the greater number. The first one is done for you.

|     |   |   |   |   |   |
|-----|---|---|---|---|---|
| (4) | 2 | 9 | 1 | 5 | 8 |
| 6   | 3 | 0 | 6 | 7 | 4 |

**Bonus Box:** Draw a picture showing five.

Name \_\_\_\_\_

▲ Subtract.

$5 - 0 = \underline{\quad}$

$0 - 0 = \underline{\quad}$

$4 - 0 = \underline{\quad}$

$1 - 0 = \underline{\quad}$

$5 - 0 = \underline{\quad}$

$1 - 0 = \underline{\quad}$

$4 - 0 = \underline{\quad}$

$3 - 0 = \underline{\quad}$

$2 - 0 = \underline{\quad}$

▲ Write the numbers from 1 to 20.

\_\_\_\_\_

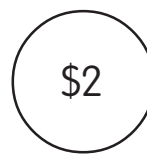

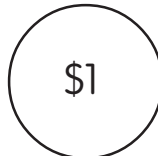

\_\_\_\_\_

▲ How much?

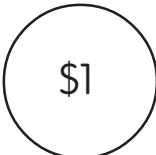

\$ \_\_\_\_\_

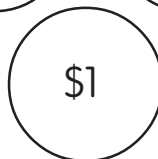

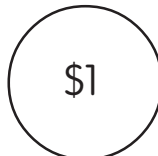

\$ \_\_\_\_\_

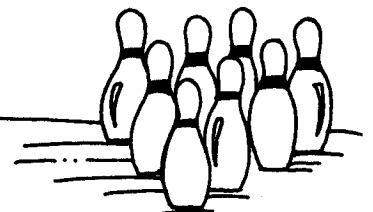

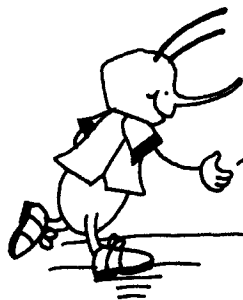

\$ \_\_\_\_\_

\$ \_\_\_\_\_

**Bonus Box:** Write four numbers less than 8.

Name \_\_\_\_\_

▲ Add or subtract.

$0 + 1 = \underline{\quad}$

$4 - 0 = \underline{\quad}$

$3 - 0 = \underline{\quad}$

$2 + 0 = \underline{\quad}$

$3 + 0 = \underline{\quad}$

$1 - 0 = \underline{\quad}$

$5 - 0 = \underline{\quad}$

$0 + 4 = \underline{\quad}$

▲ Draw < or > in the boxes.

3  7

4  2

5  0

3  7

9  10

0  8

10  1

3  9

6  8

8  1

▲ Fill in the missing numbers.

17 \_\_\_\_\_ 19 \_\_\_\_\_

11 \_\_\_\_\_ \_\_\_\_\_ 14

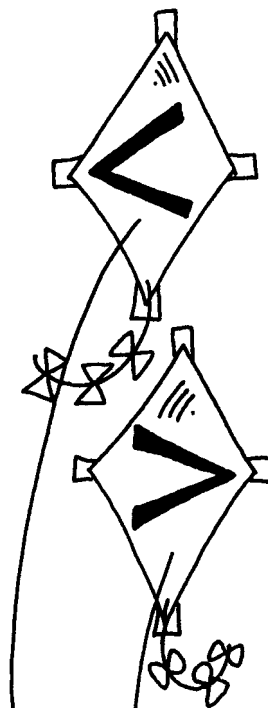

\_\_\_\_\_ 7 \_\_\_\_\_ 9

16 \_\_\_\_\_ \_\_\_\_\_ 19

15 \_\_\_\_\_ 17 \_\_\_\_\_

\_\_\_\_\_ 7 \_\_\_\_\_ 9

17 18 \_\_\_\_\_ \_\_\_\_\_

**Bonus Box:** Look for three things that are circles and draw them.
