Biscuit Barrels

Biscuit Barrels

Initial consonant blends: fl, cl, pl, bl, gl, sl

Directions: Two children may play. Take out the word cards and place them face down. Open the folder and choose a biscuit barrel. Take turns turning a card over. Read the word. If the word matches a consonant pattern on a biscuit in your biscuit barrel, put it on the biscuit. If there is no match, put the card back on the playing area. See who fills their biscuit barrel first.
