Barry: Yum, these are good toasted cheese sandwiches, aren't they?

Faizan: Yeah. I like that shop.

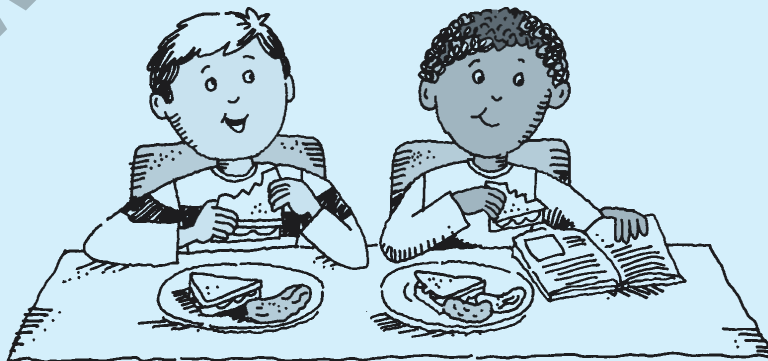

Barry: Do you ever wonder what happens to food after you eat it?

Faizan: Not really.

Barry: Well, I do. I think about it a lot. I mean, you eat it, then the rest is a mystery to me.

Faizan: I just eat it.

Dim Sim: (whispering) Hey, Barry!

Barry: Who's that? Did you hear something, Faizan?

Faizan: Nope. All I hear is you. And I am trying to read this book.

Dim Sim: Down here, Barry! On Faizan's plate.

Barry: Huh? I only see dim sims.

Dim Sim: That's me! The long one. Pleased to meet you.

Barry: You're a dim sim! And you're talking?
