

Think and Read strategies

Try to make pictures in your mind

Ask questions about what is happening in the story

Anticipate what might happen next

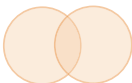

Try to figure out confusing parts of words

Reread parts you do not understand

Think and Read strategies

Compare what you read to
your own life

Compare what you have read
to other things you have
read

Stop during reading and ask
yourself if you understand it

Think about new words and
record them in your journal

Retell ideas from the
selection in your own words
