RRP:	\$49.95
Format:	210 x 295 mm
Extent:	370 pgs
Age range:	Professional Development
Category:	Class Room Practice, Professional Practice

Summary:

Understanding by Design, Expanded 2nd Edition, combines provocative ideas, thoughtful analysis, and tested approaches to offer teacher-designers a clear path to the creation of curriculum that ensures better learning and a more stimulating experience for both students and teachers. It provides an expanded array of practical strategies, tools, and examples from all subject areas, demonstrating how the research-based principles apply to district frameworks, as well as to individual units of curriculum.

Key selling points:

- Provides teachers guidelines for understanding the design process.
- Explains the six facets of understanding; including explanation, interpretation, application, perspective, empathy, and self-knowledge.
- Uses graphs and charts to illustrate how to implement the strategies outlined.
- Provides a unit template to assist in the design of curriculum and assessments that focus on student understanding.

Supporting resources:

- *Understanding by Design: Professional Development Workbook (103056)*
- *Making the Most of Understanding by Design (103110)*
