Summary:

Understanding by Design authors Grant Wiggins and Jay McTighe describe how to start with your school's mission and goals and develop a powerful school improvement plan focused on desired results. Learn how to use UbD's backward-design process to determine the evidence for your plan's success and to plan improvement steps in instruction and leadership roles. Get dozens of action ideas for starting the school improvement process and keeping it going, plus samples of curriculum frameworks and assessment rubrics, and a three-stage school improvement planning process with specific tactics for each stage.
