Summary:

This book is filled with strategies to motivate your staff and maintain a high level of energy at your school. This second edition book provides tools and resources that will allow all educators to approach work every day in an enthusiastic, focused and positive state of mind. Motivation strategies within this book include Maslow's hierarchy of needs, the importance of trust, Herzberg's motivation-hygiene theory, group norm and comparison other.

This book will help you: Motivate your faculty with the Friday Focus – a staff memo that works; understand the power of praise and how to best utilise it every day; make sure staff meetings, teacher evaluation and daily activities raise the energy level in your school; make your staff feel special. Other subjects raised include building a shared vision, understanding staff dynamics, and communication and perception.
