Age Group: P–12
Category: Leadership

Summary:
This problem-solving guide presents a wide range of leadership challenges organised under the following themes:
• Perfecting Problem-Solving Performance
• Counteracting Workplace Negativity
• Stopping Staff Misconduct
• Mastering Emergency Management
• Breaking Through Success Barriers
• Derailing Leadership Distress

Each theme is supported by a variety of problem-solving tips that are accompanied by authentic stories, practical examples and ready-to-use tools. Problem Solving Tools and Tips for School Leaders also serves as a sourcebook for related professional resources – books, journals, websites and online references.

In this book, award winning educator Cathie West shows readers how to confidently prepare for and respond to the many challenges – from pesky to crisis level – that come with being a school leader. The ideas and strategies, derived from professional experience and extensive research, can be put to work exactly as described, or adapted to fit the unique situations educators encounter in their schools.

Supporting Resources:
• Leading School Change (EYE9867)
• The 4 Core Factors for School Success (EYE9874)
• Rigor in Your School (EYE9959)
• What Great Principals Do Differently (EYE1731)
