ISBN	9781760942823
Code/SKU	KAN2823
Price	\$40.00
Format	210 × 297 mm, 278 pages
Type	Classroom resource
Level	Primary, secondary
Topics	Cross-curricular

Summary

This classic, bestselling book will show you how to get students to generate higher-level thinking on any topic. Students sharpen their thinking skills and dig deep into the content as they ask and answer higher-level thinking questions. The book includes hundreds of activities for English, art, social studies, history, maths, science and literature; and ten detailed cooperative learning, higher-level thinking lesson plans across the curriculum, with reproducibles.
