Type	Classroom resource
Level	Primary
Topics	Mathematics Numeracy

Summary

It's easy to make mathematics cooperative and engaging with this book! Inside, you will find seven highly interactive Kagan Structures and approximately 50 ready-to-use activities that fit the National curriculum. Your students will play Fan-N-Pick, a team game to answer maths problems. Students will mingle with classmates as they Find Someone Who can perform maths tasks. Pairs will Quiz-Quiz-Trade each other to cement maths concepts and facts. Teams will play Showdown to review and reinforce their mathematical learning. This book will save you tons of time preparing year appropriate cooperative maths activities to engage everyone in your class.
