Summary

Become an emotion-friendly teacher! Apply powerful new research and theory in the field of emotion to transform your classroom. Teach with emotion as part of every lesson. Elicit the ten most important positive emotions. Master the revolutionary Kagan emotion wheel to help students understand and manage their emotions. Boost students' EQ as you teach: students acquire self-knowledge, self-control, self-motivation, empathy and relationship skills. And do it all with easy-to-learn, easy-to-use proven Kagan structures. Transform cutting edge research into practical activities to release the power of emotion-friendly teaching.
