### Summary

Quiz-Quiz-Trade is a student favourite! This Kagan structure turns need-to-know curriculum into a fun and interactive quizzing game. To play, every student receives a quiz card relating to the topic. Students then pair up with a classmate. Using their cards, they quiz each other. After coaching or praising, they trade cards and set off to quiz a new classmate with their new card. The repeated practice boosts retention of the content. Memorising important information and concepts has never been so fun! This book is loaded with card sets on a variety of topics including apostrophes, capitalisation, contractions, fragments and run on sentences, homophones, parts of speech, subject and predicate, suffixes, verb tense, and subject and verb agreement. Each card set includes enough ready-to-copy cards for your entire class to play.
