Summary:

Here is a model that works, one that will revitalise the middle school component most difficult to implement successfully - the advisory program - and strengthen teaming at the same time. De Pere Middle School boldly adopted this model that merges advisory and teaming. This practical resource explains the whys and wherefores of this model and chronicles the actions De Pere took to successfully put it into practice. This book will provide all the explanation and applications of this unique program that you will need to transform your advisory program.
