Summary

Creative Curriculum Extenders: Differentiated Projects for the English Classroom is an easy-to-use source of reading and writing literacy activities to help teachers differentiate instruction. Each page has four in-depth, open-ended and varied project choices, allowing students to pick a project that fits their needs, ability level and learning style.

The book includes activities in the areas of novels, poetry, persuasive communications and autobiography, among others. Using the creative and diverse activities in this book, teachers can extend content, build specific skills and guide students to pursue their unique goals and passions.
