Summary:

This set comprises five posters that contain the reading attributes (predicting, clarifying, questioning, visualising and summarising) used in the Reciprocal Teaching strategy outlined in Rachel Billmeyer's Literacy and Learning books.

Each poster lists key verbs and questions that can be used to stimulate thinking when reading. Every poster includes a definition of the reading attribute, and questions or examples to improve students' understanding.

These clear, 610mm x 420mm posters with large fonts and bright easy-to-read colours can be prominently displayed in the classroom as aids to student comprehension while reading.

The set also includes the displayable heading 'reciprocal teaching' for placement with posters.
