Summary

Poor Students, Rich Teaching: Seven High-Impact Mindsets for Students From Poverty equips teachers with the mindsets necessary to make a profound and lasting difference in the lives of students growing up in poverty. This fully updated and revised edition combines two of Eric Jensen's top-selling books – *Poor Students, Rich Teaching* and *Poor Students, Richer Teaching* – into one must-read resource. K–12 teachers gain seven high-impact mindsets that bring about change: (1) the relational mindset, (2) the achievement mindset, (3) the positivity mindset, (4) the rich classroom mindset, (5) the enrichment mindset (6) the engagement mindset, and (7) the graduate mindset. Jensen provides effective research-based instructional strategies to help teachers ensure all students, regardless of circumstance, can graduate college or career ready.

Readers will:

- Understand the urgency of poverty and how it impacts learning, engagement and academic achievement
- Build effective teacher-student relationships
- Help students see content mastery as a reachable goal
- Teach students from poverty the essential coping skills they need to manage their cognitive load and focus on their learning
- Learn how creating a positive and rich classroom culture fosters a mindset of achievement in all students
