Summary

In *SOUL! Fulfilling the promise of your professional life as a teacher and leader*, author Timothy D Kanold shares his own reflections and anecdotes as well as wisdom and research from various teachers and leaders, to inspire and guide F–12 educators through their professional journeys. A follow-up to the bestselling book *HEART! Fully forming your professional life as a teacher and leader*, *SOUL!* aims to help educators continue the work started in *HEART!* by reflecting on the obstacles they face and generating healthy responses to those obstacles. Dividing the book into four parts based on four key actions derived from the word SOUL – searching, overcoming, unifying and living – Kanold encourages readers to reflect on and journal about their professional soul stories and identify defining moments. No matter where readers find themselves in their teaching and leading careers, *SOUL!* will help them lead fulfilling work lives and ensure their students and colleagues flourish.

F–12 teachers and leaders will:

- explore the four actions of SOUL for sustaining a fulfilling professional life
- study reflections and gain wisdom from dozens of teachers and leaders
- understand their own soul story and reflect on how they can create good in others
- journal throughout the book, examining their professional and emotional health
- discover how to create a positive school culture focused on meaningful relationships and collaboration.
