## Summary

Designed exclusively for teacher teams, this plan book is a one-stop shop to aid your collaborative team's work as it pursues its mission of learning for all. With well-researched ideas, activities and 40 weeks of planning pages for organising instruction, this valuable resource will guide and improve your team's work as part of a professional learning community (PLC).

Teams will:

- review the foundational components of the PLC process, such as determining team structures, establishing norms and setting SMART goals
- utilise many reproducible forms and tools to improve collaboration and to collect and organise information
- recognise the positive cultural shifts that occur for teams that follow the PLC process
- plan for a full school year of collaborative work with weekly calendars
- read success stories from real schools that have seen dramatic, inspiring change through PLC at Work.
