Cultures of Inquiry*

LAURA LIPTON • BRUCE WELLMAN

Summary:

Data can elicit powerful conversations about practice, but only if they are the right data and used strategically. *Got Data? Now What?* offers the strategies and tools necessary to identify what's relevant and transform struggling groups into powerful communities of learners. With this resource, group leaders can guide their teams in data-driven problem solving and decision making to improve student learning.

Authors Laura Lipton and Bruce Wellmann provide:

- A guided tour of data terms and practices
- Relevant anecdotes that illustrate healthy data use and collaboration
- End-of-chapter exercises for individual and group reflection

Supporting Resources:

- Data Dynamics: Aligning Teacher Team, School, and District Efforts* (SOT0695)
- Essentials for Principals: Data-Based Decision Making* (SOT3351)
- More Than a SMART Goal: Staying Focused on Student Learning* (SOT8990)
- Putting FACES on the Data: What Great Leaders Do!* (CO1180)
