Summary:

This set is a must for every school or Professional Learning Community that takes its work seriously. This short video shows exactly what collaborative teams in professional learning communities do, and unscripted footage of real meetings, interspersed with key points from PLC print resources, brings the concept of collaboration to life. Designed to reinforce the content on teams in Learning by Doing, this multimedia resource covers essential steps to building a culture of collaboration. Activities in the Facilitator's Guide extend the learning for teams into a hands-on workshop.
