

# Ahead of the Curve

## The Power of Assessment to Transform Teaching and Learning

Author: Douglas Reeves (Ed)

Date Available:	27 August 2009
ISBN:	978 1 74170 828 8
Code:	SOT8281
RRP:	\$50.00
Format:	180x255
Age Range:	P-12
Category:	Professional Development
Subject:	Assessment

### Summary:

Ahead of the Curve brings the ideas and recommendations of many internationally renowned education leaders into one resource for educators working to help their students achieve at ever-higher levels. Each chapter contributes to a sound conceptual framework and offers specific, practical strategies for assessment. From involving students in the assessment process, to ensuring accuracy, to applying assessments to English language learners and special needs students, you will find compelling insights and proven strategies. Editor Reeves and contributors including Guskey, Stiggins and Marzano call for a focus on the fundamental purpose of assessment: effective teaching practices for students' success.
