Author(s): Teacher Created Resources

Date Available: February 2018
ISBN: 9781760564575
Code/SKU: TCR4575
RRP: \$35.95
Format/Page No.: A4, 114 pages
Year Level: Year 1
Focus Area: Activities and Exercises
Key Learning Area: English

Summary

Twenty different texts from a variety of genres are presented in five-page units. The activities support close reading comprehension and are designed to encourage students to examine content thoroughly and analytically. Each passage is followed by three levels of questioning – literal, inferential and applied, to determine the reader’s comprehension of the text. Every unit includes a page dedicated to applying a comprehension strategy.
