**RRP:** \$35.95  
**Format/Page No.:** A4, 114 pages  
**Year Level:** Year 7, Year 8  
**Focus Area:** Activities and Exercises  
**Key Learning Area:** English

## Summary

Twenty different texts from a variety of genres are presented in five-page units. The activities support close reading comprehension and are designed to encourage students to examine content thoroughly and analytically. Each passage is followed by three levels of questioning – literal, inferential and applied, to determine the reader’s comprehension of the text. Every unit includes a page dedicated to applying a comprehension strategy.
