Summary

Discover why project-based writing is so effective in engaging students and enriching their writing. Follow a practical approach to choosing topics, conducting online research, organising and presenting ideas, and assessing results. As students dig into subjects they have chosen, they will make connections between school life and “real life”. Teachers will appreciate the wealth of ideas and guides that help them implement differentiated instruction and meet curriculum standards. *Project-Based Writing: Year 5* contains three pre-made project-based writing units for your convenience: Teach the Teacher, Advocacy Research Project and Historical Advocacy.
